

## Action Mats care instructions

Store Action Mats flat in their carry bags to prevent the corners from curling up.

The lifespan and vibrancy of you Action Mats will be best maintained if they are used in bare feet

Dirt and light soiling can be brushed off or vacuumed.

Heavy soiling can be cleaned with a proprietary carpet cleaner.

### Spills and cleaning tips:

- Never rub the surface. The correct way to approach a spillage or mark is to blot the area with a clean absorbent cloth or white paper towel.
- Clean with a proprietary cleaning solution thereafter.
- Do not expose to a direct source of heat. If the mats get wet, allow them to dry naturally laid flat.
- Action Mats can be used outside however avoid loose grit and dirt which can prematurely wear the rubber backing out.
- Prolonged exposure to bright sunlight may cause colours to fade.
